SUMMER - 2017

Secretary's Corner

Dear Brothers and Sisters,

The Grand Aerie has started a Dues reminder program that will feature a series of three reminders. This is a new program and naturally there will be a few bugs to work out. If you have already paid your dues for 2018 simply ignore any and all reminders. If you have not paid your dues for 2018 please do so as soon as possible. Another change that was implemented last year is that the Grand Aerie will automatically drop any member who has not paid their dues by the end of the grace period. This is no longer under the control of the Aerie Secretaries and I am not able to reinstate a member once they are dropped.

Our Aerie relies on all of our members to prosper. As such, it is important to support The Social Room, attend events and if possible volunteer to help a committee. Everyone has a very full schedule with work, family etc. Any help that someone can give will be greatly appreciated and will help ensure the success of Somerset Aerie #2137.

We have been fortunate to have had an increase in new members over the last several months. With this increase comes many questions about the process. Once a prospective member fills out an application with the required sponsors their name is read off at the next Regular Meeting as a proposed member. Their name is then posted and they receive a letter explaining that they are required to contact the Interviewing Committee to arrange for their interview. Special arrangements can be made to accommodate someone who may not be available on the designated nights. Once interviewed they are then balloted on by the membership at the following Regular Meeting. If elected to membership they then have six months from that date to be initiated or their application is voided and they must repeat the process. These are Grand Aerie rules not local Aerie rules and must be followed exactly.

Please continue to sponsor new members as this is vital to the long term well being of our Aerie.

Fraternally,

Chuck Rudolph PWP
Aerie Secretary / Trustee

FROM THE EDITOR

Members,

We are always striving to improve our newsletter and any suggestions from our readers are most appreciated. We still have many members that are not receiving this newsletter electronically. Please encourage everyone to provide their email address to ensure that they are kept apprised of Aerie activities and news. We wish everyone a safe and fun summer.

Fraternally,
George Faxon
Newsletter/Webpage Editor
